

# Introduction to Database Design, Fall 2012

Rasmus Pagh

3. oktober 2012

## **Exercises on indexing**

In addition to working on indexing for hand-in 2, I recommend that you try to solve the following exam problems:

1. Page 33: January 2009, problem 6.
2. Page 39: January 2007, problem 5.
3. Page 51: January 2006, problem 4.a.
