

C#/.Net Project Cluster

- Goal 1: To show that C# is really quite similar to Java.
- Goal 2: To use the many cool features of C# 2.0 and .Net that are different from Java.
- Non-goal: To teach all Visual Studio's bells and whistles.
- **Timeline**
 - **Define a project** and **form groups** of 2, 3 or 4 students.
 - **Sign up** by sending mail to Peter Sestoft (`sestoft@itu.dk`)
 - **Project contract** ('projektaftale') entered into the project base no later than Monday 24 April.
 - **Lectures** Monday 1 May to Wednesday 3 May 0900–1200 in 2A14.
 - **Exercises** Monday 1 May to Wednesday 3 May 1300–1600 in 2A52.
 - **Project start** Wednesday 3 May.
 - **Project hand-in** Friday 26 May before 1500.
- Teachers: Peter Sestoft and Dan Witzner Hansen.
- **See** home page and **project proposals** <http://www.itu.dk/people/sestoft/csharp/>
